Chapter 1 — Pay Yourself First

Invest before you spend. Automation turns investing from a decision into a default.

Practice: pick one situation this week where you apply this chapter. Write down what you did differently and what changed.

Chapter 2 — Diversify or Die

One asset is a bet; many is a portfolio. Fees and emotion are the only reliable enemies.

Practice: pick one situation this week where you apply this chapter. Write down what you did differently and what changed.

Chapter 3 — Time in the Market

Timing the market fails more than it works. Decades, not days, build wealth.

Practice: pick one situation this week where you apply this chapter. Write down what you did differently and what changed.
